

TASK 2.2P

Screenshot of index.html

Screenshot of index1.html

Screen shot of adding two numbers

```
Pretty-print ☐  
{ "statusCode": 200, "data": 30 }
```

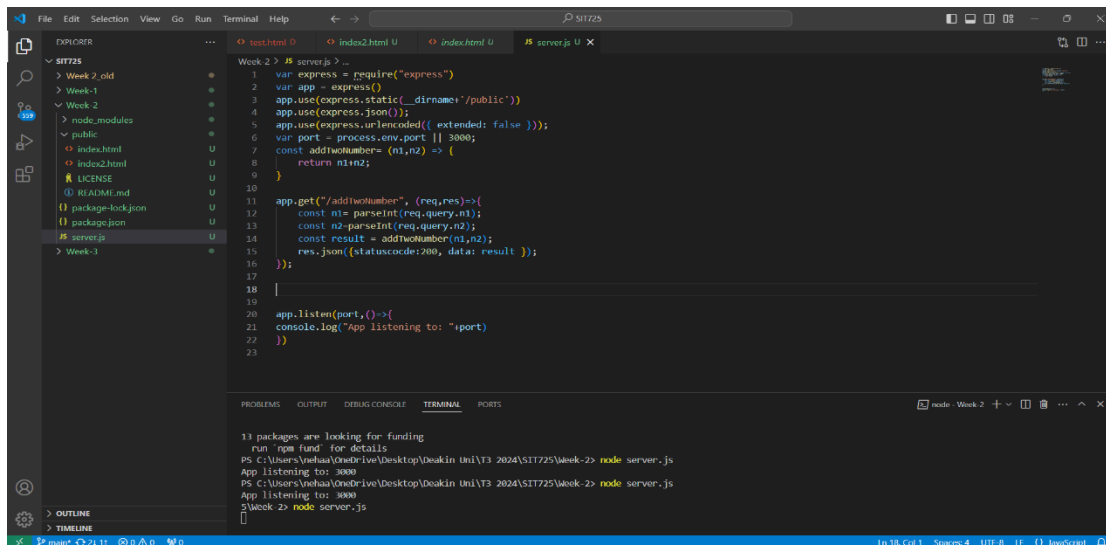

Screenshots of code

The screenshot shows the VS Code editor interface. The Explorer sidebar on the left displays the project structure for 'SIT725', including folders for 'Week 2' and 'Week 3', and files like 'index.html', 'LICENSE', 'README.md', 'package-lock.json', and 'server.js'. The main editor area shows the 'index.html' file with the following content:

```
1 <html>  
2 <body>  
3 <h1>HELLO</h1>  
4 </body>  
5 </html>  
6
```

The Terminal window at the bottom shows the output of running 'node server.js'. It displays the message 'App listening to: 3000' and 'App listening to: 3000'.

This screenshot is identical to the one above, showing the same VS Code editor interface with the 'index.html' file and the terminal output.
